

Dating Questions to Filter Out Mr. Wrongs

1. When you were growing up, did you have a favorite superhero or someone you wanted to be when you grew up? Who and why?
2. Tell me about where you grew up and what that was like?
3. Tell me about your family, mom, dad, siblings?
4. Tell me about your friends & best friend(s) and what he/she/they are like?
5. What was it like when you were going through puberty and first started liking girls/boys?
6. Tell me about your first kiss or date? Was it fun, awkward, funny?
7. Have you dated much and what has that been like?
8. Have you ever been in serious relationships and what was that like?
9. Have you ever been in love? What was it like?
10. Have you ever had your Heart broken? What was that like?

Remember: The aim with the questions above is to find out how he feels about his childhood and how he thinks about past romance / relationships.
